## **Bank of Granite to Celebrate 10 Years at Mountain View Office**

Bank of Granite will commemorate the 10<sup>th</sup> anniversary of the opening of its Mountain View office with a celebration on Thursday, March 20. The public and customers are invited to enjoy cake and other refreshments, register for door prizes and to celebrate with the staff during the daylong event.

Opened in March of 1998, Bank of Granite's full-service Mountain View office serves its customers there with a wide array of both personal and business financial solutions. The employees also serve the community by their involvement in a number of organizations including March of Dimes Walk for Babies, 100% participation in United Way, Teach Children to Save Day at Blackburn Elementary School, and an annual Christmas project to help those in need.

"It's hard to believe it's been 10 years since this office opened," said Office Manager Aaron Hughes. "We're looking forward to many, many more years of serving the Mountain View community."

The bank is located at 2900 Hwy. 127 South. Hours of operation are Monday through Wednesday from 9 a.m. to 5 p.m. The office is open until 6 p.m. Thursday and Friday. The drive through opens at 8 a.m. daily. For more information, contact Hughes at 828-294-7000.
