Bank of Granite to celebrate Long View office renovation

Bank of Granite's Long View office will commemorate the completion of its recent extensive remodeling project with a Renovation Celebration and Holiday Open House. The public and customers are invited to enjoy refreshments and fellowship with the staff during the daylong event to take place on Thursday, December 13.

Opened in January 1996, Bank of Granite's Long View office "underwent extensive changes recently," said Office Manager Rick H. Hallyburton. "Most are obvious like the new carpet, paint and privacy panels for our customer service and sales representative," he said. "But others are more subtle like the better lighting, or behind the scenes, like the new safe deposit box booth that gives our customers more privacy." Other improvements include an upgraded kitchen and break area that employees will enjoy.

Speaking about the Renovation Celebration and Holiday Open House, Hallyburton said, "This is our way of saying 'thank you' to our customers for any inconvenience during the project work and to celebrate the season. Now that it's complete, we hope the experience of coming to our office will be a more enjoyable one for all who enter."

Bank of Granite's Long View office is located at 2637 First Avenue S.W. Office hours are from 9 a.m. to 5 p.m., Monday through Wednesday and until 6 p.m. on Thursday and Friday. Drive-through service begins at 8 a.m. daily. For more information, please contact Hallyburton at 828-345-6848.
